## Just the Things For CHRISTMAS

To get just the proper things for Christmas gifts, come to the store where you know what you buy is reliable.

Santa Claus buys all his presents from us. While Santa is generous in giving things away, he practices economy in buying his presents. Follow his example—Buy from the reliable store and buy your Christmas things now and avoid the rush and crush that is sure to come if you wait until the last few days before Christmas. Do your shopping in the mornings if possible, you can get better service than in the afternoon when the store is usually crowded.
